DEDICATION

This beaming face peering out of counseling office number 2 belongs to none other than our beloved senior mentor, Mr. Grant Peterson.

Mr. Peterson, respected and admired by faculty and students, is known by all for his smile and sense of humor. But deeper and more lingering respect is based on an awareness of other qualities. Courage of conviction, sense of fairness, and enthusiasm are only a few of the praises to be sung of him.

It is for these reasons, and many more, that the Class of 1965 dedicates this book to him.

EVA WALLNER

Logan's days and nights were brightened this year by the presence of a bit of Swedish atmosphere in the form of one Eva Wallner, Logan's foreign exchange student.

Our Swedish miss speaks four languages and understands about six. When not studying her English, Eva took walks with the Lively family's dog, "Pichon", or went swimming, like in the middle of January.

We hope that Eva's stay was as rewarding for her as it was for those of us who knew her.

Shown at left with Eva is her American "sister," Barb Lively.

"MEET ME IN ST. LOUIS"

"Meet Me In St. Louis", the first all school play of the year, was presented on December 3 and 4 in the Logan cafetorium.

The play revolved around one family and their activities concerning the problems of having to move right before the start of the World's Fair in St. Louis. How four sisters and a brother scheme and con their way into staying in St. Louis for the fair and for good is the main plot and what makes this play one of the best ever performed at Logan. This show was a delight to all who saw it, and a credit to the hard work of Miss Fredericks and Mr. Brown who made it all possible.

"DISTANT BELL"

Those who saw it won't soon forget it. These were the words to describe Logan's drama II production, "A Distant Bell", which was held in the cafetorium on Feb. 18 and 19.

This play tells the story of a lonely woman who just wanted to be left alone with her family to do what she wanted for once in her life, but instead is continually pestered by her relatives and her own children who have more or less turned against her. There is much heartbreak as feelings are hurt and actions misinterpreted.

A fine play, it was well received by a great number of the student body.

The Girls Athletic Association has always been an important organization at Logan. Each year there are a series of sports days which consist of individual and team sports. These sports days are held at the different schools in the districts.

Team sports consist of hockey, volleyball, basketball, and baseball. Individual competition consists of badminton, track, tennis, and swimming. With all these sports offered a girl has a greater opportunity of participating in GAA and earning herself a block and recognition at Logan High.

BEST OF LUCK, CLASS OF 1965

Promise Yourself

To be so strong that nothing can
disturb your peace of mind.
To talk health, happiness and prosperity
to every person you meet.
To look at the sunny side of everything
and make your happiness come true.
To think only of the best, to work only
for the best and to accept only the best.
To forget the mistakes of the past and
press on to the greater achievements of
the future
To wear a cheerful countenance at all times
and give every living creature you meet
a smile.
To give so much time to the improvement of
yourself that you have no time to
criticize others.
To be too large for worry, too noble for
anger, too strong for fear, and too
happy to permit the presence of trouble.
